

vSherpa Vitamin D3 + K2 + C

Bone Strength • Immune Defense • Antioxidant Protection

vSherpa D3 + K2 + C is more than just a vitamin supplement – it is a scientifically designed synergy that supports bone strength, cardiovascular health, and immune defense in one powerful formula.

Active Ingredient	Per Capsule
Vitamin D3	100 mcg (4000 IU)
Vitamin K2 (MK-7)	75 mcg
Vitamin C	750 mg

Vitamin D3 – The Power of Sunshine

Essential for calcium and phosphorus absorption, D3 supports bones, teeth, muscles, and immunity.

Vitamin K2 – Guardian of Bones and Arteries

Directs calcium into the bones and away from arteries, supporting heart and vascular health.

Vitamin C – Antioxidant & Immune Shield

Protects cells against oxidative stress, supports collagen, skin, joints, and immunity.

Unique Synergy – More than D3

Together, D3, K2, and C work synergistically to provide comprehensive health protection.
